Sub.: Consolidation of plant operations.

Ref.: Disclosure under Regulation 30 read with Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

The Company has manufacturing plants situated across States in India. While catering to supplies to Original Equipment Manufacturers for the auto component parts, it regularly monitors operating efficiencies of each plant and evaluates consolidation of operations at appropriate juncture.

Presently, the aluminum die-casting plant at Takve, Tal. Vadgaon Maval, Dist. Pune is witnessing a decreasing trend in orders from customers. Keeping in view the overall business interest and that of all the stakeholders, the Company plans to shift the manufacturing operations from Takve to its other plants in a phased manner.

This action is expected to improve the Company's operating results.

The above information is filed with the Stock Exchange for wider dissemination of the action planned by the Company.

Thanking you,

Yours faithfully,
For **Endurance Technologies Ltd.**
